Hi I'm Sophia, BA in Graphic Design since 2015 specializing in illustration and animation. I currently live in Zaragoza, Spain and work remotely for clients from different parts of the world as Discovery, Food Network, Amazon, Lays Etc. Over the past 5+ years I have worked on various projects including digital illustrations, motion graphics, video editing, social media ad campaigns and design of printed portraits and digital media.

I am passionate about creating visual experiences combining color, movement and texture.

**I'm a coffee lover and i like yellow a lot.**
